

SECOND CHANCE WILDLIFE CENTER

OPEN HOUSE

& Fund Raiser

Saturday, October 20, 2012

12:00 Noon until 4:00 PM

Bring the whole family and join us for an exciting and educational afternoon at our 17th annual Open House. Help us to raise some much needed funds for the winter care of our patients. Go behind-the-scenes and tour the largest wildlife rehabilitation facility in the county. Meet our mascots and the staff and volunteers who handle the animals' daily care & feeding. Learn how to live in harmony with the wildlife in your neighborhood while you explore our displays, enjoy mini-concerts on the lawn by local artists, indulge your sweet tooth, relax with a mini-massage by Leon, or buy a chance to win one of our donated raffle items. *All proceeds will benefit our wildlife patients!*
