

## COLLEGE INTERNSHIP PROGRAM APPLICATION

Our facility is open 365 days a year and internship shifts are available Monday-Sunday. Our program runs year-round and requires a minimum commitment of 10 consecutive weeks - at least 3 days a week for 8 hours a day. From April through September you may be able to select shifts that start as early as 7:30am or end as late as 9pm. From October through March, shifts can generally start as early as 8am and other shifts can end at 6pm). We can schedule you on different shifts and different days across the week to accommodate your school schedule.
